

#### **OUR ENGINEERING DEPARTMENT CONSISTS OF**

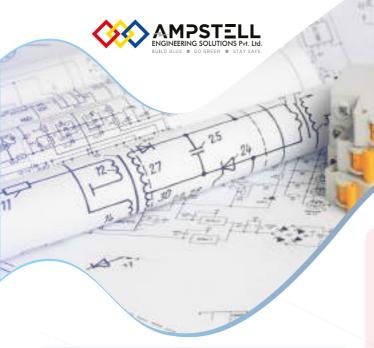

- Technical Advisor,
- Technical Manager,
- Project Engineers,
- Design Engineers,
- Estimation Engineer,
- Supervisors and skilled workers

### OUR VISION

Our Vision is to be the Leading Electrical
Contracting and Service Company in India
that is PROFESSIONAL in Presentation, Image and Work
manship. We promise to meet and exceed our customer's
expectations in our service, safety, security, and to offer
Quality products and services with 100 % satisfaction
and guarantee.

### OUR MISSION

Through skillful practice and attention to detail, we pledge to provide an excellent professional electrical services to our customers that is always value for money. Our mission, is to provide our customers with a quality electrical installation and services.

We have successfully eased out each and every type of jobs in the Electrical field. Our versatile, experienced team has seen it all, and thrives on challenges. We have executed jobs ranging from HT & LT Electrical Installation works viz. switch yards from 11 KV up-to 220 KV, supply and installation of HT& LTequipment's, supply, laying and termination of HT & LT cables, Lighting, Earthing, Lightning Protection Systems, Telephone, TV and Fire Alarm Systems, Fire Fighting System, PA and Access Control System, Structured Cabling, Fabrication and installation of Cable Tray and Raceways, Street Lighting etc. for various industries, IT Parks, Five Star Hotels, Malls, Multiplexes, Educational Institutions, Hospitals, Amusement Parks, Data Centers, Biotech/Medical parks, Residential Complexes, Retail Outlets etc.

#### WE OFFER ENGINEERING SERVICES LIKE

- Preparation Of Schemes And Proposals,
- Construction Of Sub Stations And Generator Houses,
- Installation And Commissioning Of H.T. And L.T. Electrical Systems And Maintenance.

## QUALITY POLICY

It is the policy and overall business objective of the company to provide services of the highest quality and in compliance with the client's specified requirements. The Company recognizes that genuine commitment to understand the present and future needs of its clients is essential to the achievement of these objectives and thus continually strives to ensure that the needs and reasonable expectations of the clients are realized in the quality of the services it provides.

HEALTH,
SAFETY AND
ENVIRONMENTAL
POLICY

Zero Accident Plan is Our MOTTO" We firmly believe that Safety is not just "Compliance," Safety is an attitude.

It touches everything we do. "Safety Above Standard And Beyond...

Fire Alarm/ Access Control/ PA Systems · Building Management Control Systems ·

Structured Cabling Systems ·

Instrument Installations and Cabling ·

Control Panels ·

and relocations

Networks and Data management Systems ·

Modification to existing equipment/facilities

TESTING & COMMISSIONING

- Planned Preventive and Reactive Maintenance ·
- → Testing & Commissioning Services ·
- ✓ Integrated Testing •
- ∳ Emergency Repairs
